

South River Parks & Recreation to host Project P.R.I.D.E. Presentation

On Tuesday July 8, 2008 at 9:30 AM in the South River Middle School Cafetorium located at 3 Montgomery Street there will be a presentation by the New Jersey Department of Corrections.

Project P.R.I.D.E. brings minimum custody offenders from a state correctional facility to talk about their personal experiences with drugs and alcohol. A moderator will lead the candid discussion by the offenders, while also providing additional information about the Department of Corrections and replying to questions from the audience. The offenders are at all times under the direct supervision of Senior Correction Officers while they are in the community.

The main purpose of P.R.I.D.E. is for our youth to hear, first hand, the results that alcohol and drug abuse have on a person's life and consider these consequences when faced with making personal choices.

Anyone entering the 4th grade or older is invited to attend. Parents are also welcome. Any questions please call the Recreation Office at 732-254-4412.
